

Details:

- Allocation: February, April, June, August, October, and December
- You will be notified by email for each allocation, including the “release” date (usually the 1st weekend of the allocation month) and the “ship out date” (usually 3 weeks later)
- All members are welcome to come out and pick up their allocation. On your application designate if you would prefer to be a ‘Hold for Pickup’ member or an ‘OK to Ship member.’ All Hold for Pickup members will have their allocations held at the winery for up to one year. All OK to Ship members may pickup their wine between the release date and the ship out date. If not picked up by the ship out date they will automatically be shipped to your designated shipping address. (UPS shipping charges apply, currently \$20 for VA, DC, CA, IN, and MN; \$30 for most other states.)
- Free Shipping/Local Delivery for increased allocations/purchases of 6 or 12 bottles
- Credit cards will be charged for the wine allocation several days prior to the allocation month/release date. Shipping will be charged at the “ship-out date” for those designated OK to Ship.
- Shipping is available to about 40 states- see us for current listing.
- Wine not picked up after a full year will be shipped automatically assuming we have valid contact and credit card information. If we do not and you cannot be contacted, your wines will be donated.
- We strongly encourage use of a business address for shipping. State laws require the recipient must be 21 to sign for the package as alcohol is involved. Any wine that is returned by UPS will be held until you pick it up. We will re-ship with a new fee incurred.
- You can cancel your membership anytime (after one year commitment). Let us know (via email) at least *two weeks prior* to the next allocation month. Email notifications go to beth@ducardvineyards.com.
